PROFILE

Motivated Frontend Developer with hands-on experience building responsive and interactive web applications. Proficient in HTML, CSS, JavaScript, and React, with a strong ability to translate Figma designs into functional and mobile-friendly websites. Currently enrolled in AltSchool Africa's Frontend Engineering program and enhancing mobile development skills through a remote internship with Bincom Dev Center.

CORE COMPETENCIES

- Frontend Web Development & Responsive Design
- UI Conversion from Figma to Functional Interfaces
- Mobile Interface Implementation (React Native - In Training)
- Proposal and Bid Preparation (EPC Projects)
- Version Control and Team Collaboration (Git/GitHub)
- Strong Communication and Problem-Solving Skills

TECHNICAL SKILLS

Languages & Frameworks: HTML, CSS, JavaScript, TypeScript, React, Tailwind CSS, Next.js

Tools & Platforms: Git, GitHub, Firebase, Figma, VS Code, Chrome DevTools

Other Skills: API Integration, Cross-Browser Compatibility, Mobile-First Design

SOFT SKILLS

- Proficiency in Microsoft Office Tools
- Excellent Communication and Teamwork
- Strong Analytical Thinking
- Good Organizational and Time Management

MARIAN OFURE ISIDAHOMEN

PROJECTS

Budgeting Website

Built with HTML, CSS, JavaScript, and Firebase

- Developed a budgeting app to track income and expenses
- Integrated Firebase for user authentication and data storage
- Ensured full responsiveness across devices

Product Display Page

Dynamic product listing using JavaScript

- Rendered product data with images, prices, and ratings
- Used array methods to dynamically update the DOM

CBT (Computer-Based Testing) Platform - In Progress

- Assisting with UI development and component structure
- Collaborating on layout, responsiveness, and interactivity

Responsive Figma-to-Website Conversion

- Converted a Figma design into a pixel-perfect, responsive webpage
- Used Flexbox and CSS Grid for adaptive layouts

TECHNICAL TRAINING

AltSchool Africa - Frontend Engineering Program

Remote | 2024 - Present

- Comprehensive training in HTML, CSS, JavaScript, TypeScript, React, and modern frontend tools
- Completed projects based on real-world use cases

Bincom Dev Center - Mobile Development Internship (June Cohort)

Remote | Starting June 2025

- Training in mobile application development, focusing on React Native and UI/UX for mobile platforms
- Hands-on projects and weekly sprints in a collaborative remote environment

MARIAN OFURE ISIDAHOMEN
